A word about our special event portraits...

Each portrait is printed on Fujicolor Crystal Archive Photographic Paper to preserve your memories captured in this special event portrait for years to come. Quality portraits, even in volume pricing, are what you can expect from Mill Creek Woods Photography. Prices below are based on volume ordering. If you order after Doug turns in his order to the lab, any prints ordered will be at our regular price schedule. Each portrait is retouched at the discretion of the photographer.
